

## Office Bearers and Board of Trustees of ILSI India

The individuals who serve on the ILSI India Board of Trustees bring a range of expertise, experience, and perspective to their work defining and achieving ILSI India scientific goals. These individuals are not on the Board of Trustees as representative of the organizations or institutions for which they work and are unpaid volunteers who take their scientific and fiduciary responsibilities to the organization seriously. The affiliations are mentioned for identification only. We thank them for the generous gift of time and energy.
