

MULTI-STAKEHOLDER PARTNERSHIPS TO IMPROVE NUTRITION SECURITY

Mohammed Oufattole
Director, Monsanto Research Center
Bangalore
November 16, 2013

AGRICULTURE IS AT THE CENTER OF GLOBAL CHALLENGES

WHAT IS SUSTAINABILITY?

MONSANTO

MULTI-STAKEHOLDER PARTNERSHIPS AT THE HEART OF OUR STRATEGY

"As an agricultural company focused on increasing crop yields, we will do our part. But it will also require the efforts of a diverse group of organizations with many points of view to work together and take action to address the daunting challenges facing us all."

*Hugh Grant
Chairman & Chief Executive Officer
Monsanto Company*
